EXAMINER'S AMENDMENT

Receipt is acknowledged of an amendment filed 5/24/2004 in which claims were amended (claims 17-18). As claims 20-21 are dependent upon allowable product claims and have no further issues under 35 U.S.C. 112, claims 20-21 have been rejoined with claims 17-19 and 22 for consideration in this action. Claims 17-22 are found to be allowable.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification:

At page 1, line 21, the words --, now U.S. Patent No. 5,741,667-- have been inserted between the period at the end of the sentence and the term "08/446,915".

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: applicants' amendment of claims 17-18 in the amendment filed 5/24/2004 has obviated the outstanding grounds of rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
